Education

2018 | **Doctorate in Cognitive Psychology (comparable to Ph.D.)**

University of Mannheim, Germany

[Thesis: "The influence of mood on decision-making"](#)

Advisor: Arndt Bröder

2009 | **Diploma in Psychology (comparable to M.Sc.)**

Lomonosov Moscow State University, Russia

Thesis: "Cooperative strategies in a competitive environment"

Advisor: Takhir Bazarov

Professional Experience

06/2019 - present | **Research associate & Teaching fellow**

Experimental Psychology & Internet Science, University of Konstanz,
Germany

Research topics: online experiments, experience-sampling
methodology, online methods.

- Teaching courses on "Online Assessment", "Statistics".

11/2016 – present	Research assistant (part-time)
	<p>The research group Addictive Behaviour and Addiction Medicine Central Institute of Mental Health, Mannheim, Germany</p> <ul style="list-style-type: none"> • Developed a web application for psychological assessment of patients
09/2013 – 05/2019	<p>Research associate & Teaching fellow</p> <p>Department of Experimental Psychology, University of Mannheim, Germany</p> <p>Research topics: emotion, decision-making, computational models</p> <ul style="list-style-type: none"> • Taught “Emotion and motivation” seminar and supervised students in an experimental practicum. • Developed new research methods (a multi-attribute decision task, foraging task, online mood manipulation, etc.)
09/2012 – 06/2013	<p>Visiting researcher</p> <p>Department of Psychology, Basel University, Switzerland</p> <p>Research topics: emotion, status-quo and default bias. <i>Advisors: Bettina von Helversen, Benjamin Scheibehenne</i></p>
02/2012 – 09/2012	<p>Project manager (part-time)</p> <p>Web resource “Likeo”, Russia, Moscow</p> <ul style="list-style-type: none"> • Managed a team of programmers and designers • Designed online games for development of cognitive functions (memory, attention, problem-solving, speed, etc.).
10/2011 – 09/2012	<p>Teaching fellow</p> <p>Chair of Organizational Psychology, University Higher School of Economics, Russia, Moscow</p> <ul style="list-style-type: none"> • Taught courses in statistics and data analyses, social psychology, and organizational psychology. • Supervised bachelor and master thesis.

09/2007 – 09/2012	<p>Teacher assistant (part-time)</p> <p>Chair of Social Psychology, Lomonosov Moscow State University, Russia, Moscow</p> <ul style="list-style-type: none"> Assisted in teaching courses in human resources management, leadership and management theories, and negotiations.
09/2005 – 09/2012	<p>Research assistant, project manager (part-time)</p> <p>Consulting company "CPT-XXI century", Russia, Moscow</p> <ul style="list-style-type: none"> Developed training and development programs on the topics of team management and leadership. Managed consulting projects for Russian financial, telecoms, and healthcare companies.

Projects

2019 – present	<p>BrainWaves</p> <p>An easy-to-use platform for EEG experimentation in the classroom</p> <p>https://github.com/makebrainwaves/BrainWaves</p> <ul style="list-style-type: none"> Code development
2019 – present	<p>Samply</p> <p>Web-based application to schedule and send notifications to participants</p> <p>https://samply.ml</p> <ul style="list-style-type: none"> Idea and realization
2017 – present	<p>Open Lab</p> <p>Web-based application to conduct online-experiments</p> <p>https://open-lab.online/</p> <ul style="list-style-type: none"> Idea and realization
2016 – present	<p>Small world of words</p> <p>Worldwide study of word associations</p> <p>https://smallworldofwords.org/en</p> <ul style="list-style-type: none"> Supervising Russian sample

Scholarships & Awards

03/2018	IPID4all grant for international conferences
11/2017	DAAD scholarship for international conferences
11/2016	SQL grant for international conferences
09/2015	The award of The Graduate School of Economic and Social Sciences (GESS) for the proposal "A dual-stages model of default choice".
06/2015	Stipend from Max Planck Institute for Human Development, Berlin, for participation at the Summer Institute on Bounded Rationality.
09/2014 – 09/2015	Full one-year scholarship by the Graduate School of Economic and Social Sciences (GESS, University of Mannheim).
09/2012 – 06/2013	Swiss Government Excellence scholarship by the Federal Commission for Scholarships for Foreign Students FCS.

11. Shevchenko, Y., Scheibehenne, B. & Helversen, B. (2014). The impact of happy and sad emotions on the status quo bias. The talk presented at the 56th Conference of Experimental Psychologists (TeaP), Giessen, Germany.

Professional Activities

September 2019	Co-organizer of the 3rd Summer School on Internet-based Data Collection and Analysis in Decision Making, Konstanz, Germany
----------------	--

Teaching

	Primary instructor of undergraduate courses
Fall 2013, 2015, 2016, 2017, 2018	Emotion and motivation (20+ students)
Spring 2015, 2016, 2017	Experimental practicum (10+ students)

Spring 2012	Organizational psychology (20+ students)
Spring 2012	Social psychology (50+ students)
Fall 2011	Statistics and data analyses (50+ students)
	Co-Supervisor of B.Sc. theses
Spring 2016	Dieuwertje van de Schoot: Exploration and Exploitation Trade-Off: Affect in a Fishing Task
	Supervisor of B.Sc. theses
Spring 2012	Taisia Philimonova: The relationship between social intelligence and types of causal attribution. Alina Semenova: Sources of inter-ethnic conflicts in modern Russian society and ways to resolve them. Ramis Khasyanov: The role of social context in the development of a biethnic identity.
	Teaching assistant
2007 - 2012	Human resources management (20+ students) Theory of leadership (20+ students) The psychology of negotiations (20+ students)

Certificates

12/2017	6 ECTS points (grade: 1.3) in "Hot topics in Machine Learning" course of the Master in Business Informatics program
09/2017	6 ECTS points (grade: 2.0) in "Data Mining and Matrices" course of the Master in Business Informatics program

Memberships

The International Society of Research on Emotion (ISRE)
The Society for Judgment and Decision Making (SJDM)
The Psychonomic Society

Ad-Hoc Reviewing

Journal of Applied Social Psychology

Acta Psychologica

European Journal of Social Psychology

Language Skills

Russian: mother tongue

English: proficient (TOEFL exam in March 2014 with the total score of 108)

German: proficient (C1 level certificate with the score of 1.3)

Korean: basic

Technical Skills

- Full stack web programming (JavaScript)
- Data analysis and machine learning (R, Python, MATLAB)
- Internet-based methods of data collection
- fMRI analysis (SPM)
- Mobile apps programming (Swift)
- Eye-tracking
